INSTITUTE OF PUBLIC HEALTH & HYGIENE

The global Institute at the heart of an ambitious city

VISION

The Institute seeks to be a center of excellence dedicated to provide superior education and training in Allied Health Sciences in order to produce highly qualified, caring allied health workforce for the Health Care Industry to serve the people of India and at the International level.

VALUES

The Institute of Public Health & Hygiene sets higher standards and works to improve education in allied health sciences. We are committed to:

Being student centred

Being clinically led

Well-Being

Quality

Innovation

MISSION

The Institute in pursuit of its vision will provide outstanding educational experience, in all the disciplines of Allied Health Sciences, in a supportive environment of critical thinking, self directed learning and integrity. It will provide comprehensive, culturally sensitive, community oriented Health care professionals to individuals and families.

GOALS

The Institute strive to be among the top Institutions in India in the sphere of allied health training.

INSTITUTE OF PUBLIC HEALTH & HYGIENE

Genesis and Growth of IPH&H

The extreme shortage of medical facilities in the Country, prompted the establishment of Institute Of Public Health & Hygiene at New Delhi in July, 1976, Under the able guidance and mature insight of the Founder Chairman, Late Dr. Shyam Sunder Joshi, the foundation of the erstwhile academic excellence was laid and whose visionary ideas led him to envision and create an Institution that was inclusive and opened its doors for the world-and engaged the service in collaboration with the Country. It is a co-educational Institute catering to students from all walks of life. It is with pride that we count many students from all parts of the World among our alumni, from the heart of the city, in the service of the Country. The Institute's founder was also ahead of his time in engaging the Institute in direct service to the community.

Forging our future

The Institution is committed to serve the future perspective more than any other institute. The Institute is doing this by educating individuals for fulfilling, productive lives and by creating solutions to present or anticipated problems through active participation in educational activities.

As a major teaching Institute, IPH&H is both a repository for accumulated knowledge and experience and a testing ground for critically examining perceived wisdom, where basic and elementary training is conducted in a wide variety of fields and across disciplines. Taught by inspired, committed, and creative faculty, our programmes are combined with enduring value of liberal arts education with the skills and experience offered by professional Institutions, to ensure that our students are engaged, adaptable, and equipped for successful careers and fulfilling lives.

The Institute is an in-service Training Centre for the Army, Navy, Air force Coast guards from the Min. of Defence (DGR), New Delhi, Min. of Home Affairs, CRPF, Min. of Civil Aviation, Min. of Social Justice & Empowerment, Govt. of India and various State Governments viz., Govt. of Nagaland, Manipur, Mizoram, Assam, Madhya Pradesh, Sikkim, Meghalaya, Chandigarh Administration, Ladakh Hill Council, North Eastern Hill Council, University of Delhi, Members of Federation of Indian Chamber of Commerce and Industry, International Airport Authority of India, All India Institute of Medical Sciences, Cement Corporation of India, TELCO, UNO, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Regional Institute of Medical Sciences, Indian Airlines, Children's Home, Private Hospitals, Nursing Homes, Organisations, Institutions, Establishments, Northern Railway etc. and is a vocational training provider of the Director of Technical Education and Training, Govt. of NCT Delhi under SDI-MES scheme of the Govt. of India and National Skill Development Corporation, Govt. of India and recognized by INC & DNC for ANM Course.

The Campus

The self contained campus has excellent infrastructure and learning resources that collectively provide a stimulating and enjoyable learning ambience. The hostels accommodate boys and girls from various parts of the country and abroad. The Institute is committed to provide the best environment for academic life & with our long heritage and strong commitment you'll have a rich, broad background in the humanities and the sciences when you qualify from IPH&H. This foundation, is believed, is the preparation you'll need to enter any field and enjoy a full life as an educated citizen of the world. Throughout the Institute, whether it is the new Medical Lab., Imaging Sciences Deptt., Dental Sciences, or Communication Technology for I.T. Deptt., the students will find evidence of IPH & H's continuing investment in meeting the needs of its academic community.

HOSPITAL WARD SIMULATION : The Institute is running Charitable Hospital cum Specialised Polyclinic at New Delhi alongwith other facilities available round the clock such as Routine & Specialised X-Ray, Computerised Pathological, Microbiological, Immunological and Hormonal investigations, Physiotherapy, Dental & Eye Care Centre etc. for the Practical Training of the candidates of various Diploma & Degree Courses. The Centre is equipped with HIV - AIDS Testing and Counseling Center, Immunization Clinic, Laboratory, Radiology, Ultrasonography, Dental and Physiotherapy Deptt. Medical Tourism - A Multi-Billion Industry

The illustration is set against a light pink background. At the top center, the text "POPULAR HEALTHCARE JOB TITLES" is written in a blue, hand-drawn font, with a yellow sun-like shape behind it. Below the text is a green caduceus with white wings. Six scenes of healthcare interactions are arranged around the central symbol:

- Top Left:** A Nurse Practitioner (woman with dark skin, blue scrubs) uses a stethoscope on a patient's arm (woman with red hair, green shirt).
- Top Right:** A Physical Therapist (woman with dark skin, teal shirt) sits on the floor, talking to a patient (woman with brown hair, red shirt) who is holding a white object.
- Bottom Left:** A Home Health Aide (man with dark skin, blue shirt) assists an elderly patient (woman with white hair, yellow shirt) who is sitting in a wheelchair.
- Bottom Center:** An Occupational Therapist (man with dark skin, blue shirt) sits on the floor, playing with colorful blocks with a young patient (girl with red hair, yellow shirt).
- Bottom Right:** A Physician Assistant (man with dark skin, green shirt) uses a stethoscope on a patient's arm (man with blue hair, white shirt).
