# INSTITUTE OF PUBLIC HEALTH & HYGIENE

**Genesis and Growth of IPH&H :** The extreme shortage of medical facilities in the Country, prompted the establishment of Institute Of Public Health & Hygiene at New Delhi in July, 1976, Under the able guidance and mature insight of the Founder Chairman, Late Dr. Shyam Sunder Joshi, the foundation of the erstwhile academic excellence was laid and whose visionary ideas led him to envision and create an Institution that was inclusive and opened its doors for the world-and engaged the service in collaboration with the Country. It is a co-educational Institute catering to students from all walks of life. It is with pride that we count many students from all parts of the World among our alumni, from the heart of the city, in the service of the Country. The Institute's founder was also ahead of his time in engaging the Institute in direct service to the community.

**Forging our future :** The Institution is committed to serve the future perspective more than any other institute. The Institute is doing this by educating individuals for fulfilling, productive lives and by creating solutions to present or anticipated problems through active participation in educational activities.

As a major teaching Institute, IPH&H is both a repository for accumulated knowledge and experience and a testing ground for critically examining perceived wisdom, where basic and elementary training is conducted in a wide variety of fields and across disciplines. Taught by inspired, committed, and creative faculty, our programmes are combined with enduring value of liberal arts education with the skills and experience offered by professional Institutions, to ensure that our students are engaged, adaptable, and equipped for successful careers and fulfilling lives.

The Institute is an in-service Training Centre for the Army, Navy, Air force Coast guards from the Min. of Defence (DGR), New Delhi, Min. of Home Affairs, CRPF, Min. of Civil Aviation, Min. of Social Justice & Empowerment, Govt. of India and various State Governments viz., Govt. of Nagaland, Manipur, Mizoram, Assam, Madhya Pradesh, Sikkim, Meghalaya, Chandigarh Administration, Ladakh Hill Council, North Eastern Hill Council, University of Delhi, Members of Federation of Indian Chamber of Commerce and Industry, International Airport Authority of India,

All India Institute of Medical Sciences, Cement Corporation of India, TELCO, UNO, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Regional Institute of Medical Sciences, Indian Airlines, Children's Home, Private Hospitals, Nursing Homes, Organisations, Institutions, Establishments, Northern Railway etc. and is a vocational training provider of the Director of Technical Education and Training, Govt. of NCT Delhi under SDI-MES scheme of the Govt. of India and National Skill Development Corporation, Govt. of India and recognized by INC & DNC for ANM Course.

**The Campus :** The self contained campus has excellent infrastructure and learning resources that collectively provide a stimulating and enjoyable learning ambience. The hostels accommodate boys and girls from various parts of the country and abroad. The Institute is committed to provide the best environment for academic life & with our long heritage and strong commitment you'll have a rich, broad background in the humanities and the sciences when you qualify from IPH&H. This foundation, is believed, is the preparation you'll need to enter any field and enjoy a full life as an educated citizen of the world. Throughout the Institute, whether it is the new Medical Lab., Imaging Sciences Deptt., Dental Sciences, or Communication Technology for I.T. Deptt., the students will find evidence of IPH & H's continuing investment in meeting the needs of its academic community.

**HOSPITAL WARD SIMULATION :** The Institute is running Charitable Hospital cum Specialised Polyclinic at New Delhi alongwith other facilities available round the clock such as Routine & Specialised X-Ray, Computerised Pathological, Microbiological, Immunological and Hormonal investigations, Physiotherapy, Dental & Eye Care Centre etc. for the Practical Training of the candidates of various Diploma & Degree Courses. The Centre is equipped with HIV - AIDS Testing and Counseling Center, Immunization Clinic, Laboratory, Radiology, Ultrasonography, Dental and Physiotherapy Deptt. The Institute is attached with several well known Govt. Hospitals/Nursing Homes/Diagnostic Centers, etc.

**LABORATORIES** : The Institute is having adequate and well equipped Medical Laboratories with modern equipments. For the Practical Training of the candidates, the Institute is also attached with several Diagnostic Centres & well equipped Govt. Hospitals & Nursing Homes.

**DEPTT. OF RADIOLOGY** : The Department is equipped with adequate no. of X-Ray units with Fluoroscopy, mobile X-Ray Units and Dental X-Ray units.

**DEPTT. OF ECG** : The Department is equipped with adequate no. of 3 Channel fully automated BPL, WIPRO ECG Machines.

**DEPTT. OF ULTRASONOGRAPHY** : The Deptt. of Ultrasonography of the Institute is equipped with latest 4-D Ultrasound Machines for Training and use in Hospital Mobile Clinic.

**COMPUTER TRAINING** : Our well equipped Computer Laboratories ensure that our students remain on the cutting edge of medical studies with the latest research & technological advances. The broadband Internet enabled work- stations allow students to carry out their studies effectively and efficiently.

**DEPTT. OF OPHTHALMOLOGY** : The Deptt. of Ophthalmology is equipped with all latest modalities such as Ophthalmic Surgical Operating Microscope, Keratometer, Sinoptophore, Streak Retinoscope and Direct Ophthalmoscope for Ophthalmic treatment.

**100% Successful result of all regular Degree Programmes for the last 23years.**

## Reasons Why You Should Pursue a Career in Healthcare ?

The demand for health care is increasing while the supply of Allied Health Professionals is decreasing! Study shows that healthcare Industry needs 18.3 lakhs professional while there are only 8.9 lakhs Allied Health Professionals available therefore there is huge shortage of approx. 9 lakhs trained Allied Health Professionals.

These professions are growing and together they make up the second largest health workforce after nurses. Allied health professionals provide essential services on which the health system depends and their skills are in demand worldwide.

There is an immediate need for health care workers in most of the professions, including nursing and allied health. There is and there will be a long-term shortage of qualified health care providers just at the peak when the demand for health care is increasing. The demand for healthcare is increasing because of the aging population and lack of awareness. A large portion of the population is now over 50 years old, just the time of life when there is a higher incidence of disease.

**PLACEMENT ORIENTATION :** In-Campus Interviews are being conducted for the benefit of candidates for jobs in India and abroad. In order to provide students the best placement, the Institute have signed MoU's with not only Indian Health-care Industry/Corporate Hospitals but also along with various prestigious Foreign Universities round the globe and placed its students in Health care Industry worldwide since 1976. Along with placement in other Organizations, special emphasis is being laid on self-employment ventures.

**ABROAD PLACEMENT :** The Institute also provides free of cost placement services in India & Abroad in collaboration with various Abroad Placement Agencies, Embassies & High Commissions. The Diploma-Holders of the Institute are already working in Gulf Countries & other European countries.

# INSTITUTE OF PUBLIC HEALTH & HYGIENE

## IPH&H - SCHOOL OF NURSING

### ABOUT IPH&H-SCHOOL OF NURSING

keeping in view the rise in demand of trained Nursing & supporting staff, the IPH&H-SCHOOL OF NURSING was established in the year 2015, Recognized by Delhi State Nursing Council & Indian Nursing Council for conducting Auxiliary Nursing & Midwifery (ANM) course for the 10+2 qualified candidates who are interested in pursuing their dream career as a part of trained health care work force. The School has entered with a humble beginning in the field of nursing education and confident of stretching its wings in this arena in times to come.

IPH&H-SCHOOL OF NURSING strives to impart quality education in the field of Nursing and in this endeavor the School has employed some of the eminent and renowned industry experts as their faculty members. These members have rich clinical and academic experience and have also served designated posts in various Govt. Departments as nursing experts.

### COURSES APPROVED/RECOGNISED BY INDIAN NURSING COUNCIL AND AFFILIATED TO DELHI NURSING COUNCIL

#### ANM ( Auxiliary Nursing Midwifery )

**Eligibility :** 10+2 with English and must have obtained a minimum of 40% at the qualifying examination

**Duration :** Two Years including essential internship

**Auxiliary Nurses & Midwifery (ANM) :** Auxiliary nurses, in essence, are healthcare assistants who provide great help to professional staff to take care and look after the medical needs of patients in hospitals, nursing care facilities or in a community. A very responsible and noble profession, which gives you dual opportunities of a lucrative career option with service to the humanity at the same time. In modern day scenario and keeping in view of the acute scarcity of the trained nurses, the role of ANM has become even much crucial which will continue to change and expand in years to come.

#### GNM ( General Nursing & Midwifery )

**Eligibility :** 10+2 with English and must have obtained a minimum of 40% at the qualifying examination and English individually for any recognized board

OR Registered ANM with pass mark.

**Duration :** Three Years including essential internship.

**General Nurses & Midwifery (GNM) :** General Nursing and Midwifery or GNM is a three-year and six-month diploma course designed for aspirants who want to pursue a career in clinical nursing. The programme teaches candidates how to care for individuals who are sick or have been injured in order to help them attain full recovery. GNM courses are designed to prepare the students for the clinical approach of handling patients.
