## PARA-MEDICAL PROFESSION

### A CAREER FULL OF OPTIONS

#### Medical Tourism - A Multi-Billion Industry

The demand for health care is increasing while the supply of Allied Health Professionals is decreasing! Study shows that healthcare Industry needs 18.3 lakhs professional while there are only 8.9 lakhs Allied Health Professionals available therefore there is huge shortage of approx. 9 lakhs trained Allied Health Professionals.

These professions are growing and together they make Up the second largest health workforce after nurses. Allied health professionals provide essential services on which the health system depends and their skills are in demand worldwide.

There is an immediate need for health care workers in most of the professions, including nursing and allied health. There is and there will be a long- term shortage of qualified health care providers just at the peak when the demand for health care is increasing. The demand for healthcare is increasing because of the aging population and lack of awareness. A large portion of the population is now over 50 years old, just the time of life when there is a higher incidence of disease.

**PLACEMENT ORIENTATION :** In-Campus Interviews are being conducted for the benefit of candidates for jobs in India and abroad. In order to provide students the best placement, the Institute have signed MoU's with not only Indian Health-care Industry/Corporate Hospitals but also along with various prestigious Foreign Universities round the globe and placed its students in Health care Industry worldwide since 1976. Along with placement in other Organizations, special emphasis is being laid on self-employment ventures.

**ABROAD PLACEMENT :** The Institute also provides free of cost placement services in India & Abroad in collaboration with various Abroad Placement Agencies, Embassies & High Commissions. The Diploma-Holders of the Institute are already working in Gulf Countries & other European countries.

## GENESIS & GROWTH of IPH&H

The extreme shortage of medical facilities in the Country, prompted the establishment of Institute Of Public Health & Hygiene at New Delhi in July, 1976, Under the able guidance and mature insight of the Founder Chairman, Late Dr. Shyam Sunder Joshi, the foundation of the erstwhile academic excellence was laid and whose visionary ideas led him to envision and create an Institution that was inclusive and opened its doors for the world-and engaged the service in collaboration with the Country. It is a co-educational Institute catering to students from all walks of life. It is with pride that we count many students from all parts of the World among our alumni, from the heart of the city, in the service of the Country. The Institute's founder was also ahead of his time in engaging the Institute in direct service to the community.

## FORGING OUR FUTURE

The Institution is committed to serve the future perspective more than any other institute. The Institute is doing this by educating individuals for fulfilling, productive lives and by creating solutions to present or anticipated problems through active participation in educational activities. As a major teaching Institute, IPH&H is both a repository for accumulated knowledge and experience and a testing ground for critically examining perceived wisdom, where basic and elementary training is conducted in a wide variety of fields and across disciplines. Taught by inspired, committed, and creative faculty, our programmes are combined with enduring value of liberal arts education with the skills and experience offered by professional Institutions, to ensure that our students are engaged, adaptable, and equipped for successful careers and fulfilling lives. The Institute is an in-service Training Centre for the Army, Navy, Air force Coast guards from the Min. of Defence (DGR), New Delhi, Min. of Home Affairs, CRPF, Min. of Civil Aviation, Min. of Social Justice & Empowerment, Govt. of India and various State Governments viz., Govt. of Nagaland, Manipur, Mizoram, Assam, Madhya Pradesh, Sikkim, Meghalaya, Chandigarh Administration, Ladakh Hill Council, North Eastern Hill Council, University of Delhi, Members of Federation of Indian Chamber of Commerce and Industry, International Airport Authority of India, All India Institute of Medical Sciences, Cement Corporation of India, TELCO, UNO, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Regional Institute of Medical Sciences, Indian Airlines, Children's Home, Private Hospitals, Nursing Homes, Organisations, Institutions, Establishments, Northern Railway etc. and is a vocational training provider of the Director of Technical Education and Training, Govt. of NCT Delhi under SDI-MES scheme of the Govt. of India and National Skill Development Corporation, Govt. of India and recognized by INC & DNC for ANM Course.

### The Campus

The self-contained campus has excellent infrastructure and learning resources that collectively provide a stimulating and enjoyable learning ambience. The hostels accommodate boys and girls from various parts of the country and abroad. The Institute is committed to provide the best environment for academic life & with our long heritage and strong commitment you'll have a rich, broad background in the humanities and the sciences when you qualify from IPH&H. This foundation, is believed, is the preparation you'll need to enter any field and enjoy a full life as an educated citizen of the world. Throughout the Institute, whether it is the new Medical Lab., Imaging Sciences Deptt., Dental Sciences, or Communication Technology for I.T. Deptt., the students will find evidence of IPH & H's continuing investment in meeting the needs of its academic community.
